

This accessibility statement applies to The New Futures Project Website.

This website is run by The New Futures Project. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille:

- email Info@new-futures.org.uk
- call 01162510803
- We'll consider your request and get back to you in 14 working days.

If you cannot view the map on our 'contact us' page, call or email us for directions.
